

# EXTRACURRICULAR ACTIVITIES FAIR

Dear Parents and Students,

We are thrilled to invite you to our Extracurricular Activities Fair, where you can explore an array of exciting opportunities for your children. This event is a fantastic chance for you to discover the diverse range of activities we have prepared for the upcoming academic year.

At the Extracurricular Activities Fair, you will:

- Meet our dedicated instructors and learn about their unique offerings.
- Gain insights into how these activities can enrich your child's learning journey.
- Have the opportunity to ask any questions and seek guidance on selecting the right activities.
- Explore the schedule, locations, and details of each activity.

In addition, **if you and your child plan to participate in any of the days or both, we kindly request that you inform their class teachers and tutors about their participation.** This will help us ensure that your child's educational experience is well-coordinated.

We believe that extracurricular activities play a vital role in a well-rounded education, fostering creativity, teamwork, and personal growth. Your child's participation in these activities can enhance their overall school experience.

**Please Note:** Each day of the fair will feature different activities, so we encourage you to attend on both days to fully explore all the options available to your child.

**26TH AND 27TH SEPTEMBER**

**15:30 TO 16:30**
